## Mi TOWER

**Unique component hangers**  
'Extra hands' to hang materials during the construction and dismantling of the MiTOWER. Slides in and out in a single, quick movement.

**At working height in minutes**  
The MiTOWER is assembled in no-time. To the highest level quickly, without the help of a colleague.

**Compact and simple transport**  
You can make a movable trolley with the scaffolding materials. Fits through any standard door opening and in many company vehicles.

**Safe to use**  
The only Rolling tower that you can assemble without assistance.

Also available with Fiber-Deck®

**K003002 20' \$5,518**
