- ALL SPECIALS WHILE CURRENT SUPPLY LASTS -

With respect to 20V MAX, maximum initial battery voltage (measured without a workload) is 20 volts. Nominal voltage is 18.

With respect to 60V MAX, maximum initial battery voltage (measured without a workload) is 60 volts. Nominal voltage is 54.

DEWALT's PERFORM & PROTECT™ line of Power Tools is designed to provide a high level of one or more of the following: control, dust containment, or low vibration, without sacrificing performance.

Terms and Conditions: This is not a game of chance. Void where prohibited. Offer only available at the participating Frank's Supply retail locations. Offer valid on purchases made on 03/16/2018, while supplies last.

All federal, state and local laws and regulations apply. Redemption items will be provided at the participating retail location at the time of purchase. Original invoices evidencing qualifying purchases must be provided.

Offer valid only for product end users. No cash value. Amounts on flyer do not include taxes. Offer not valid with any other offer or promotion. DEWALT reserves the right to provide alternate redemption items of equal or greater value. Frank's Supply and DEWALT reserve the right to limit number of redemptions per customer and/or transaction. Offer subject to change without notice.
