Palmer or EDCO Electric  
Floor Stripper

Minimum      Day      Week      4-Week

**Sanders**

Clark 17" Floor Maintainer  
Silver-Line SL-8 Drum Sander  
Sand Paper Adaptor  
Pad Driver

Minimum      Day      Week      4-Week

**Concrete & Masonry Equipment**

**Selection Guide**

Concrete and masonry work involve many types of equipment. Tell us as much as you can about your job, so we can recommend the most efficient & productive equipment.

**The Job:** Let us know what kind of work you need to do. Does the job involve new construction, remodeling or demolition? Are you working indoors or outdoors? Are you working with walls, footings, foundations or slabs? What is the size & thickness? How much concrete will you be handling? What kind of finish will be required? If demolition is involved, what are you breaking up? What size is it? How old is it? Are you going to repour concrete? Are you working in a confined area?

**Concrete Equipment Forming & Pouring**

**Concrete Bucket**

Camlever 1/2 Yard  
Concrete Bucket

Minimum      Day      Week      4-Week

**Mixers**

6 cu. ft. Gas Concrete Mixer  
9 cu. ft. Gas Concrete Mixer  
8 cu. ft. Gas Mortar Mixer  
12 cu. ft. Gas Mortar Mixer

Minimum      Day      Week      4-Week

**Wheelbarrows & Rebar Benders - Cutters**

6 cu. ft. Wheel Barrow  
5/8" to 3/4" Rebar Cutter/Bender

Minimum      Day      Week      4-Week

**Concrete Buggies**

Hauls 16 cu. ft. / 2500 lbs.

Minimum      Day      Week      4-Week

**Vibrators**

Oztec Concrete Vibrator  
(incl. motor, shaft, head)  
1" to 2 1/2" Heads  
5' to 28' Shafts

Minimum      Day      Week      4-Week

**Finishing**

**Bull Floats**

45" Magnesium  
6' Aluminum Handles

Minimum      Day      Week      4-Week

**Grinders - Planers**

Edco 2 Head Electric Grinder  
Edco 2 Head Gas Grinder  
Strip - Sert Set  
for Glue Removal  
Diamond - Sert Set  
for Concrete Removal  
10" Diamond Head Grinder  
Edco 8" Concrete Planer

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Jitterbugs**

46" Tamper

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Concrete Blankets**

6' x 25'  
12' x 25'

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Power Trowels**

36" Power Trowel  
46" Power Trowel

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Drilling and Sawing**

**Brick Saws**

Target 14" Brick Saw  
14" Block/Brick Blade  
Saw Stand

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Core Drilling**

Target Hand Held Core Drill -  
Up to 6" Bit Capacity  
Target Core Drilling Machine -  
Up to 8" Bit Capacity  
Target Core Drilling Vacuum Assembly  
Core Bit Adapter (1 1/4" - 7 to 5/8" - 11")  
6" and 12" Bit Extensions  
1" to 8" Diamond Bits

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Cut-Off Saws**

12" & 14" Electric Saw  
14" Gas Saw  
12" & 14" Dry Cut Diamond Blades

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Slab Saws**

Soff Cut 310 - Green Concrete  
5" Blade - Cutting Depth 7/8" - 1 1/8"  
Soff Cut X-150 Green Concrete  
6" Blade - Cutting Depth 1" - 1 3/16"  
Soff Cut X-450 Green Concrete  
8" Blade - Cutting Depth 1" - 1 3/16"  
Target 8 HP. Saw  
14" Blade Guard  
Target 13 HP. Self Propelled Saw  
14" Blade Guard  
Target 35 HP. Self Propelled Saw  
18" Blade Guard  
12" to 18" Diamond Blade (cured)  
12" to 18" Diamond Blade (green)  
12" to 18" Diamond Blade (asphalt)

Minimum	Day	Week	4-Week
---------	-----	------	--------

**Tile Saws**

Target 10" Tile Saw 18" Capacity  
Super 10" Tile Saw 24" Capacity  
10" Continuous Rim Diamond Blade Stand

Minimum	Day	Week	4-Week
---------	-----	------	--------
